

Government of Haryana
Planning Department
(Performance Management Cell)

No. 5/1/2011- ERAMU (FD)

Dated: Chandigarh, the ^{18th} June, 2012
20

ORDER

Governor of Haryana is pleased to constitute the Performance Management Cell in the Planning Department under the supervision of Special Secretary, Finance.

Results Framework Document (RFD) is a part of Performance Management and Evaluation System (PMES) to evaluate and monitor the performance of the Government Departments. RFD entails not only the agreed objectives, policies, programmes and projects, but also the success indicators and target to measure the progress in implementing them. The document is to be prepared by each department at the beginning of the financial year with the approval of the Minister concerned. Thus RFD will evaluate departmental performances by measuring performances of all schemes and projects (both iconic and non-iconic) and all relevant aspects of expected departmental deliverables such as financial, physical, quantitative, qualitative, static efficiency (short-run) and dynamic efficiency (long-run).

It has been decided in principle to implement PMES in the State in all major departments and RFD shall be prepared.

It has also been decided that a Committee of Secretaries will be formed to oversee the process of the implementation of the RFD in the State. The Committee members will help the departments to prepare Results-Framework Document.

(Sanjeev Kaushal)

Principal Secretary to Government Haryana
Finance Department
