

DEPARTMENT OF ECONOMIC AND STATISTICAL ANALYSIS, HARYANA

Information relating to Section 4(l)(b) of Right to Information Act,2005

(i) the particulars of Department of Economic and Statistical Analysis, Haryana, functions & duties ;

The Department of Economic and Statistical Analysis, Haryana works under the administrative control of the Planning Department, Haryana. This Department undertakes multifarious activities relating to the collection, compilation and analysis of data on socio-economic aspects of the State economy and preparation of various Reports/Publications; evaluation of development programmes; and formulation of Annual/ Five Year Plans and District Plans.

Main functions and duties of the Department are as under :-

- (i) To collect, compile and analyze data regarding various socio-economic aspects of the State;
- (ii) To serve as a store-house for all types of statistics required for planning and formulation of development programmes;
- (iii) To undertake surveys and enquiries regarding various socio-economic problems of the State;
- (iv) To co-ordinate statistical activities of various departments of the State Government;
- (v) To advise the Govt. on economic and statistical matters;
- (vi) To work in liaison with the Central Statistical Organisation, Govt. of India and various State Statistical Bureau;
- (vii) To carry out evaluation studies of development programmes/ projects/ schemes;
- (viii) To undertake formulation and implementation of Five Year/Annual Plans; and
- (ix) To monitor the progress of various programmes being implemented under 20-Point Programme.

The working of the Department can be broadly classified under three divisions, namely (a) Statistical (b) Planning and (c) Plan-Evaluation. Broad functions/duties under these three divisions are given as under :-

a) STATISTICAL WING :

The main functions of the Statistical Wing are collection, compilation, analysis and dissemination of statistical data on all socio-economic aspects of the development of the State for use of Administrators, Planners, Researchers and the like. The preparation of State Statistical Abstract of Haryana is an annual feature of the Department. Economic Survey of Haryana indicating status of development in various sectors of the State economy is also published annually. This wing compiles Staff Statistics of Haryana Government employees,

statements of agricultural labour wages and monthly rural retail prices, retail and wholesale prices and working class consumer price index numbers and index numbers of industrial production based on data collected through annual survey of industries, preparation of estimates of State Income/Per Capita Income, Economic and Functional Classification of Haryana Government Budget, Economic and Functional Classification of Budgets of Municipal Committees, Analysis of State Revenues, Index Numbers of Agricultural Production in Haryana and release of reports namely Economics of Farming and Family Budget of Cultivators in Haryana. Preparation of Annual Administrative Report, training of statistical personnel of other departments, maintaining liaison with the Central Statistical Organization and other State Directorates of Economics and Statistics etc. are also the other important functions of this wing.

In the field, there exists a District Statistical Office in each district of the State.

Main functions of the District Statistical Offices are as under :-

- i) To collect, compile and maintain all types of statistics relating to socio-economic conditions of the district;
- ii) To guide and supervise the reporting agencies in the matter of collection and compilation of statistics;
- iii) To render necessary assistance in connection with surveys and enquiries undertaken at the district level;
- iv) To co-ordinate the statistical activities of the various departments at the district level;
- v) To conduct periodical training of officials concerned with collection and maintenance of statistical data in various offices;
- vi) To prepare District Statistical Abstract, Municipal Year Book and District Socio-Economic Review;
- vii) To conduct survey assigned by headquarter or district administration from time to time; and
- viii) To conduct field survey of various rounds of National Sample Survey (State Sample) regularly by selected District Statistical Offices in the State.

b) PLANNING WING :

Main functions of the Planning Wing are :-

- i) To assess the level of development in important sectors for the State as a whole as well as for various districts and regions;
- ii) To assess the financial, manpower and material resources and organizational and institutional capabilities;
- iii) To determine the priorities for the State in the lights of the overall national objectives;
- iv) To assist the State Government in the formulation of the Five Year Plan and Annual Plans;
- v) To suggest policies and programmes for removing the imbalances prevailing in various regions in the State and assist in formulation of District Plans;

- vi) To make critical appraisal of ongoing programmes leading to determination of the extent to which some of the identified ongoing programmes or projects would need to be continued; and
- vii) To advise on such other matters connected with the economic development as may be assigned by the State Government.

At the district level, the work relating to District Plan is looked after by District Planning Unit.

The functions of District Planning Units are :-

- i) To collect basic data and prepare a status report with regard to various development parameters;
- ii) To identify problems of different areas and steps required for tackling such problems keeping in view the potential for development at the local level; and
- iii) To draw up Schemes of Local Importance at district level and prepare District Plans.

c) PLAN EVALUATION WING :

Departments concerned with Plan Schemes suggest programmes/schemes to be evaluated to this Department. Evaluation Wing of this Department starts the process of evaluation of programme/scheme so proposed after seeking approval from Administrative Secretary, Planning Department.

The Evaluation Wing after collecting the requisite data about the scheme/ project, undertakes field studies in order to find out the impact, benefits, weaknesses, shortcomings and gaps in the implementation of the project. Based on the findings corrective measures are also suggested. The Evaluation Reports are forwarded to the implementing departments for their comments and for taking remedial measures, wherever necessary. The Evaluation Wing keeps a watch over the follow up action taken by the departments.
